2. Parent Help is Required!

All parents are responsible to work in the concession stand, field prep, and/or umpiring home games. Concession profits go toward hired umpires, equipment, and field maintenance. The League will pay for the home plate umpire for boys and girls 5th/6th grade home games. We rely on your being there or finding a suitable replacement. Failure to work (or find a replacement) your entire scheduled time will result in a \$100 fee and your child will not be able to play until the fee is paid. Concession stand and Umpire shifts will be out soon after the game schedules are announced. Umpires should have reasonable knowledge of the rules, which can be provided. We will do our BEST to honor concession stand or umpire scheduling requests. At least one parent is also required to help during our spring diamond cleanup (to be announced). **Please circle preferences below:**

Concession Stand

- Morning Shift (9:30a-2pm)
- Evening Shift (5pm-close)
- Parents work together
